TO WHOM IT MAY CONCERN

We wish to introduce Mrs. Esther Nysietta Tubman, Counsellor at Law to the Supreme Court of the Republic of Liberia and Chairman of the Trustees of a major children's home and orphanage in Monrovia.

Acting upon her own initiative and with no political motivation, Mrs. Tubman is forming a Committee of concerned Liberians, most of whom are outside Liberia as refugees from civil strife, and other well-wishers, to foster the spiritual, social and material needs of the numberless children, orphans and otherwise, whose lives and well-being have been disrupted as the result of the present disorder in our country.

We feel that Mrs. Tubman's initiative is particularly timely in view of the situation in Liberia presently.

What is already clear is that at least one tenth of the entire population of Liberia are now refugees, the majority in neighbouring African States, and that among these refugees a large proportion are children, many of them now orphaned or separated from their families.

We ask you to extend any and whatever assistance you may be able to offer her in her undertaking.

Yours faithfully,

Rudolf von Ballmoos
